

WILLOUGHBY STREET AND PENNANT PARADE, EPPING

LEGEND

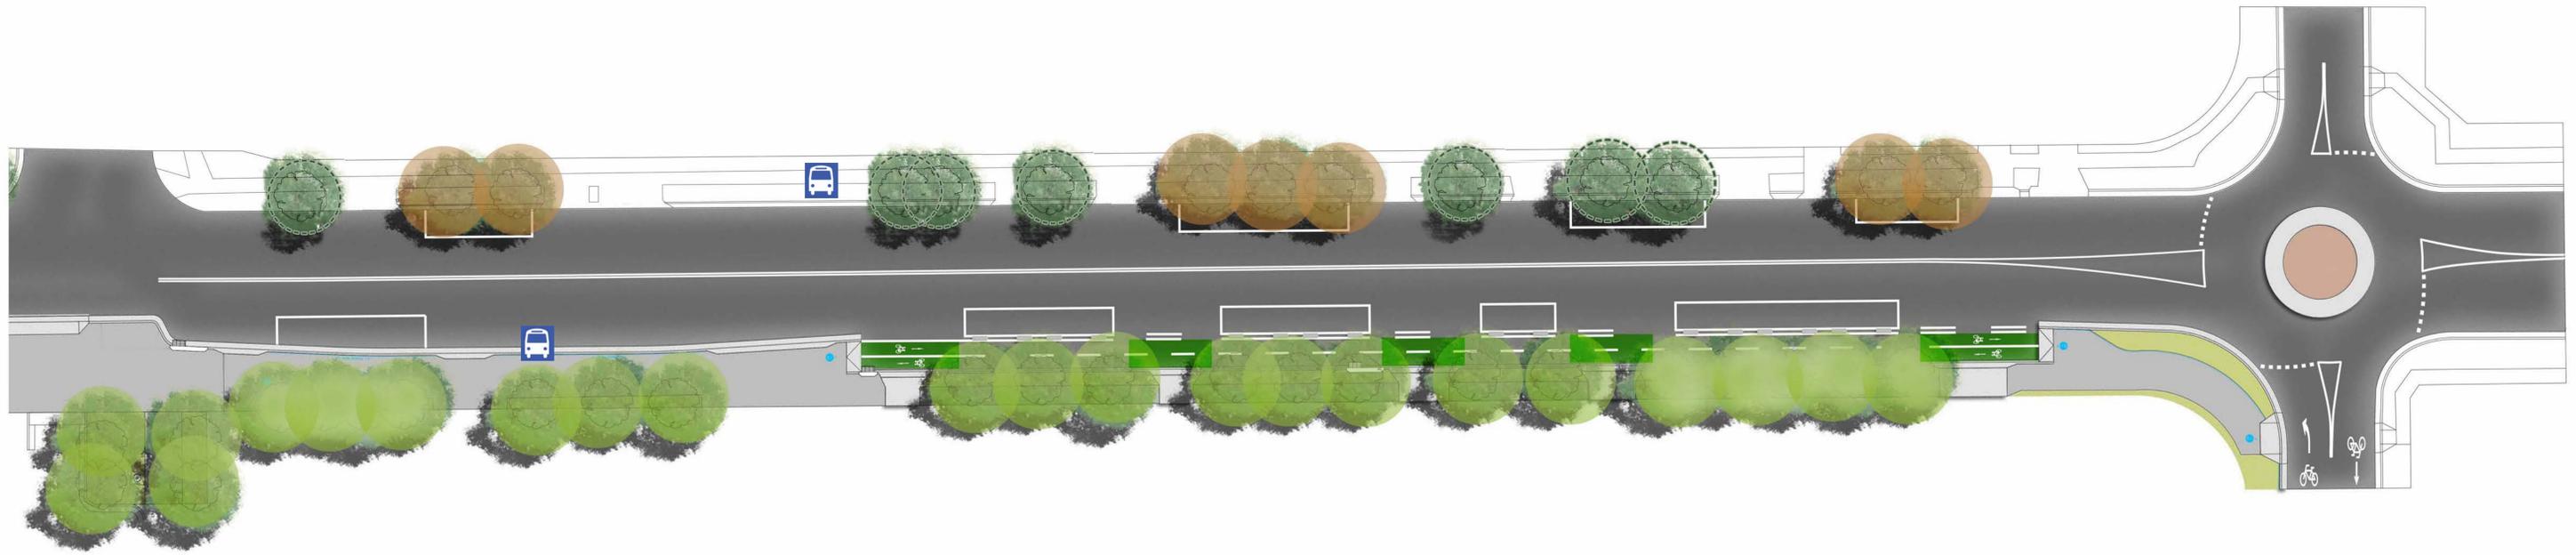

-  EXISTING TREE
-  NEW TREE PLANTING
-  POSSIBLE TREE PLANTING

NOTE: Proposed new trees on Willoughby Street are to be Crepe Myrtle *Lagerstroemia indica* x *fauriei* 'tuscarora'.

Proposed new trees on Orchard Street are proposed to be Water Gums *Tristaniaopsis laurina* to match the existing.

Residents on the southern side of Willoughby immediately adjoining the bicycle path will be given the option to retain and move existing street trees if possible.

Alternative species such as Green Avenue *Waterhousea floribunda* or Golden Rain Tree *Koelreuteria bipinnata* may also be considered subject to resident preference
