

# Sturt Park Proposed Improvements

This is a summary of the proposed improvements for Sturt Park.

These items correspond with the labels on the concept design for Sturt Park, which is available in the 'Resources' section of the Sturt & Acacia parks Our Say webpage:

1. Park frontage and entry sign upgrade
  2. Amphitheatre terracing with informal stage for performance, tai-chi, yoga...
  3. Expansion and upgrade to existing skatepark facility
  4. Recreational circuit path with sheltered rest stops
  5. Open space – common kickabout area
  6. Replacement of playground for young children
  7. Family picnic settings, BBQ, shelters dispersed throughout park
  8. Amenities building
  9. Multi-use court for informal recreation
  10. Area for new playground (challenging nature play)
  11. Enhancement to the The Ponds Walk trail
  12. Enhancement to creek edge and slope retainment, sensitive to ecology and heritage
  13. Future crossing point and The Ponds Walk trail connection to Ponds Creek Reserve North open space and Moffatts Drive
- Existing trees to be retained
  - Shade tree planting, feature trees and low-lying shrubs
