

## Good and Bridge Street Upgrades Granville

City of Parramatta is upgrading Good and Bridge Streets in Granville as part of the NSW State Governments Parramatta Road Urban Amenity Improvement Program (PRUAIIP). We sought feedback on the proposed plans between Monday 17th August 2020 to Monday 14th September 2020.

### What did you tell us?

Council asked the community how they use Good and Bridge Streets in Granville.

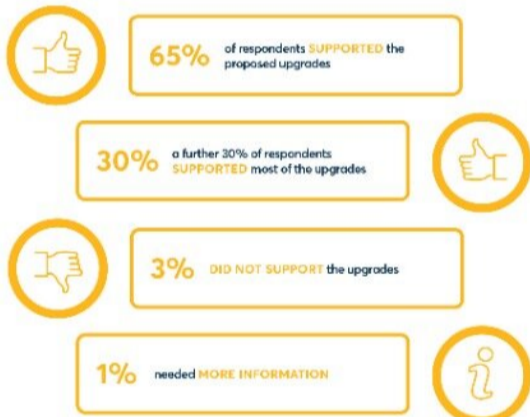

The top 3 biggest concerns with the area currently:

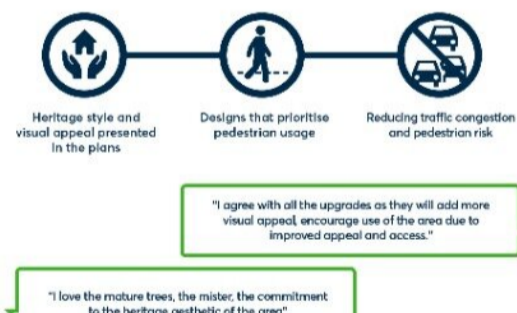

"It can feel a bit threatening when you're on your own and travelling with public transport to / from work."

"Lack of green space, run down buildings."

### What did you think of the proposed plans?

### There was a very positive response to

### Who participated?
