YOU SPOKE

I dislike the lack of shade, and protection from vandalism.

Needs updating and more shade

No shelter

I would be keen to see this playground upgrade include gross motor equipment for the older age group, for little kids see saws, climbing spider frames, fireman poles and double slides

For little kids equipment should include a sea saw with middle platform, climbing spider web, fireman's pole and double slide.

WE LISTENED.

The design includes over ten new trees and a new shelter. We have heavily considered vandalism within the new design and implemented a number of measures to minimise it.

We have included a diverse range of play equipment to accommodate for a broad age and accessibility range, keep an eye out for the tower with slide, spider web and rocker.

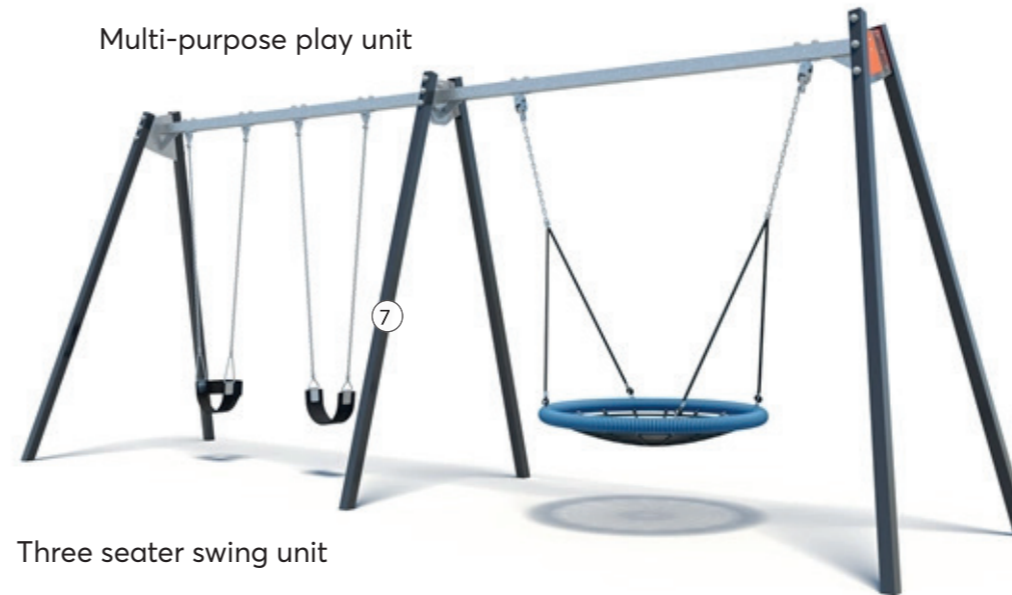

Q: From the following play element categories, please select the equipment you would most like to see delivered at Alice Watkins Playground ?

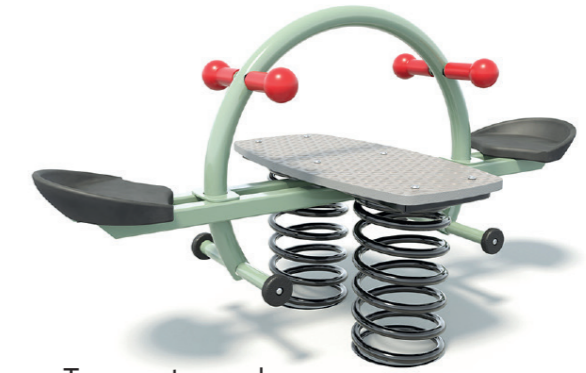

- Imaginative Play Equipment (18.2%)
- Spring Motion Equipment (9.1%)
- Monkey Bar Equipment (4.5%)
- Slides (15.9%)
- Balancing Equipment (15.9%)
